

Stevia

A healthier choice than artificial sweeteners, NFH Stevia has a balanced sweetness and flavor profile with minimal aftertaste.* Naturally sourced from high quality stevia leaves, NFH Stevia provides 95% of the best tasting steviol glycosides, predominantly with 75% of Rebaudioside A.* An ideal flavor enhancer for many applications, NFH Stevia minimizes aftertaste and bitterness of foods and beverages by enhancing sweetness quality, improve flavor synergies and bolster taste modification.* Can be mixed with other sweeteners to enhance the taste and pleasantness and for replacing sugar.* Helps preserve the crispiness and crunchiness of cookies and biscuits when use in place of sugar and helps to retain the original taste and freshness of the food, by preventing stickiness and fermentation normally caused by sugars.*
